

MANHATTAN
COLLEGE

SENATE

**RESOLUTION: Support for Access to Menstrual Products
and the Broad Goals of the “Period Project”**

Whereas, Manhattan College is a diverse, co-educational institution of higher learning; and

Whereas, the Senate of Manhattan College represents all the constituents of the campus community; and

Whereas, the Senate recognizes the need for access to menstrual products for members of the campus community; and

Whereas, the Senate applauds the broad goals of the “Period Project”; therefore

Be it resolved, that the Senate requests the Manhattan College Administration undertake a study to determine the feasibility, logistics, and cost of providing free and/or low-cost access to menstrual products at various restroom facilities on the Manhattan College Campus; and

Be it further resolved that the Senate requests that the administration present a report to the Senate no later than the Senate’s February 2020 meeting.

Submitted by the Senate Agenda Committee for Senate consideration, October 2019
