Proposal 2011-1882

Dear President O'Donnell:

This letter is in response to Provost Clyde's correspondence of September 15, 2011 and additional information received via e-mail December 5, 2011, requesting registration of a proposed Master of Arts (M.A.) program in Organizational Leadership to be offered by Manhattan College.

I am pleased to inform you that on the basis of our review the program detailed on the attached listing from the Inventory of Registered Programs is registered for general purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York) until September 1, 2012. After that date, registration will be extended annually until the Department's next review is conducted.

Please note that the attached Inventory listing records this program as ineligible for the Tuition Assistance Program (TAP). Only programs offered on a full-time basis are registered as TAP-eligible. Since this 33-credit master's degree program cannot be completed in one year, the program is considered a part-time program and therefore ineligible for TAP. In addition, APTS awards are available for undergraduate study only. The program is eligible for Vietnam Veterans Tuition Awards (VVTA).

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, I ask that you contact this office prior to initiating a significant change in this program.

We wish you and your colleagues success with the program.

Sincerely,

Barbara D. Meinert
Coordinator
