RE: Approval of Health Professions Proposals

DATE: September 3, 2013

Two proposals were brought for approval to the School of Science Curriculum Committee. The first was for the creation of a new seminar course: "Introduction to Pre-Health Studies." This course will be required for all students pursuing a pre-Health Professions path. The proposal was approved by the SoS CC on May 8, 2013.

The second proposal was to develop an academic concentration for students in the pre-Health Professions. This was approved by the SoS CC on May 8, 2013.
