

Survey of Manhattan College Faculty by the Faculty Research Committee

The purpose of this survey is to identify impediments to research and to identify ways to reduce those impediments so that faculty may be more productive in scholarly activities. Please note that this is merely a survey and no funds at present exist to implement any of the possibilities alluded to within the questionnaire.

This survey is anonymous – the faculty research committee has no way of identifying the respondents.

The Manhattan College Faculty Research Committee is a committee of the Council for Faculty Affairs. For more information, about the Committee contact the Chairperson, Dr. Parisa Saboori at parisa.saboori@manhattan.edu
