

School of Educaiton & Health
Curriculum Committee

Minutes – October 28th 2020

In attendance via Google Hangout Meets: Karen Nicholson (Ex Officio), Jeff Cherubini (Chair), Elizabeth Kosky, Tracy Lahey, Kerri Mulqueen, Kayla Valentino

- Meeting called to order at 9:00AM.
- Minutes from April 29, 2020 were approved.
- The topic of the meeting was for the School of Education & Health (SOEH) Curriculum Committee to acknowledge a memo of change confirming the movement of the Radiation Therapy and Nuclear Medicine programs from the SOEH to the School of Continuing and Professional Studies (SCPS). The move includes no administrative or curricular changes and does not have an impact on relationships with other programs and departments with regard to required courses.
 - Acknowledging that the Radiation Therapy and Nuclear Medicine programs moving from SOEH to SCPS has no curricular impact, the SOEH curriculum committee is nonetheless obliged to note our concern about the administrative process which resulted in programs changing schools with little to no involvement of program faculty or administrators in the decision making process.
- The next committee meeting is scheduled for December 2, 2020.
- Meeting adjourned at 9:34AM.
