

MANHATTAN  
COLLEGE

---

## STUDENT GOVERNMENT

### **RESOLUTION: Manhattan College Commencement Exercises Student Government Assembly**

Whereas graduation from college is among the most momentous and important occasions one will celebrate in one's life;

Whereas members of the Manhattan College senior graduating class and their families have invested four years of hard work, and thousands of dollars, in their alma mater;

Whereas recent Manhattan College graduating classes were awarded three tickets to Commencement for friends and family;

Whereas this graduating class, the largest in the college's recent history, will be given only two tickets;

Whereas other local institutions including Baruch College, Iona College, New York University and Pace University recognize the importance of this momentous occasion and host their commencement exercises at suitable off-campus venues;

Whereas the Manhattan College Student Government circulated a petition regarding the ticket cut that garnered over 2,500 online signatures;

*Resolved*, that the Manhattan College Student Government Assembly recommends that the college host these and future commencement exercises, dependent upon the size of the graduating class, at a suitable venue which can accommodate a fair and proper number of four guests per student.

As submitted for consideration: November 14, 2018
